## President Nancy's Message

### Roswell Rotary Honors Leadership 20/20 Students and Addresses Human Trafficking Awareness

This past week's meeting at Roswell Rotary was an inspiring blend of youth leadership recognition and critical awareness about a global issue. We were proud to honor almost 80 emerging leaders from Roswell High School who were selected to participate in the prestigious 1-Day Leadership 20/20 program. These students were nominated by a teacher or staff at RHS because they demonstrated leadership potential.. This was the 31st Leadership 20/20 for Roswell Rotary and it stays relevant helping them not only identify their leadership style but also give them tools to develop skills that will positively impact their school and the wider community. Congratulations to all the participants for being chosen for this transformative experience! [[read more](#)]
